

**PT. GRAHA ANUGRAH ELEKTRINDO**

**MOVING FORWARD  
TO THE NEW ERA**

# ABOUT US

Established since 16<sup>th</sup> August 1999, PT GRAHA ANUGRAH ELEKTRINDO has been growing rapidly as Mechanical & Electrical Distribution Company. With more than a decade of experience, PT. Graha Anugrah Elektrindo can confidently ensure our customers the best service to the retailers and traders of mechanical & electrical products.

Our main focus is Customer Satisfaction. We serve people with full understanding of our products, polite speaking, and friendly approach. Customer will receive all information needed about any product provided. We are also supported with an Online Integrated System, which enables us to gather information about our inventory status, sales, and customer's profile; this system helps us to make a quick and accurate decision.

## Vision

Become the BEST company in Mechanical & Electrical Products in Indonesia, and over the time, in the world.

## Mission

Provide innovative and BEST quality products with competitive price.

Logistic and Distribution System are vital in our business. We have experts and professionals who are focusing in the system improvements simultaneously and continuously. This commitment will ensure us to deliver fast services and improve customer satisfaction.
