

COMPANY PROFILE

MOVING FORWARD
TO THE NEW ERA

ONE STOP SOLUTION

for your electrical needs

Wirawan Corporation is one of the biggest and experienced players in the electrical & mechanical business, cleaning systems and equipment business, as well as power storage products and data centre services. Established since 1996, Wirawan Corporation started its business as a supplier of electrical devices for retails in Jakarta area, specifically for Schneider Electric products. Nowadays, Wirawan Corporation also provides a various needs and solutions for high quality electrical and mechanical devices, including Schneider Electric, APC by Schneider Electric, Legrand, Cablofil by Legrand, Socomec, Fluke, OBO Betterman, Karcher, Cheetah, Hensel, Bosch, Philips, Ecolink, Wiz, Powercraft, Honeywell, Notifier, System Sensor, Hikvision, Illuvia, Delta, and Kabelindo.

With close to three decades of industry experience in this business and having a huge network of Business to Business and Business to Customer clients that spread throughout Indonesia has made Wirawan Corporation transformed as a Holding Group that expanded its market segment by established subsidiaries that are known as a major market players in their respective fields, namely as **PT. Telesindo Citra Sejahtera**, **PT. Mitra Cipta Hardi Elektrindo** and **PT. Graha Anugrah Elektrindo**.

PT. Telesindo Citra Sejahtera which founded and started its business in the electrical sector in 1996 as a distributor of Schneider Electric products for retail in Jakarta and surrounding areas, was the very first milestone that started the big business of Wirawan Corporation. Along with its development, the company has experienced several rapid developments that shaped them into a large distributor and expanded its market segment by providing electrical needs solutions that focuses on the Low Voltage, Lighting & UPS product lines for contractors, industry, OEMs, hospitals and retails. In addition, PT. Telesindo Citra Sejahtera has gratefully received several awards, including as Best Performance in Industrial Product Specialist Distributor as a token of appreciation from accumulated trust and satisfaction of our performance from our customers.

“ Living values on the principles of **discipline, kinship, trust, integrity, unity** and also responsibility as a foundation to carrying out daily tasks or relationships among employees and striving for excellence and mutual prosperity.

Furthermore, as the development of businesses of Wirawan Corporation, **PT. Mitra Cipta Hardi Elektrindo** was built and established in 1997 to fulfill market needs for mechanical and electrical devices in the Low Voltage also Mechanical & Safety Equipment segment as its main distributor for Panel Makers, OEMs, Industries, Hospitals and retailers. As a token of appreciation from accumulated trust and satisfaction of our performance from its customers, also completed with their commitment to deliver the best quality products, PT. Mitra Cipta Hardi Elektrindo has often received several awards, including as Best Distributor & Best Growth in Project & Retail Channel.

Meanwhile, to reach consumers and markets in the Low Voltage, Lighting, Fire Safety & Appliances segment intended for contractors, industries and large and small retailers, **PT. Graha Anugrah Elektrindo** was built and established on August 16, 1999. Along with the development of the company, PT. Graha Anugrah Elektrindo has now evolves to a major player in the electrical market in its segment. For its commitment and its focus to maintain customer's satisfaction, also for its experience in its business throughout decades, PT. Graha Anugrah Elektrindo often received awards and recognition as the Best Distributor.

Thanks to the commitment from the corporate to always deliver the best quality of products and after sales services that continuously satisfy its consumers, the companies and subsidiaries under the auspices of Wirawan Corporation often received an awards in various categories such as, The Best Distributor, Authorized Service Center, Authorized Distributor and any other rewards from world-renowned principals, including Schneider Electric, Philips, Legrand, APC, Kärcher and Honeywell.

Through a 'One Stop Solution' platform, Wirawan Corporation strives to bring and provides every customer needs and solutions in one easy access that is simple, secured and has guaranteed a service satisfaction for its customers. In addition, with an 'Integrated Online System' which also applied to every company and subsidiaries under its supervision, customer data and profiles will be stored securely and confidentially, as an effort to provides fast, accurate, effective and efficient services, as well as the latest product and technology information and updates directly to their customers.

VISION

Becoming the best, large and well-known corporation on a national scale to move and transform to become a global corporation.

MISSION

Providing an easy access and support to acquire products with the best quality, establish business and strategic partners that have mutual vision to continue to expand the market, improving the quality of human resources through intensive and continuous trainings, and offer a satisfactory after-sales services for every customers.
